

## KTXA PROGRAM/ISSUES REPORT

April 1-June 30, 2012

Attached are listings of broadcasts that, in the Station's judgment, reflect the Station's most significant programming treatment of ascertained issues during the preceding three months.

During the quarter, the Station launched a new weekly local public affairs show, Plugged Into DFW, to air on a regularly scheduled basis, Saturdays at 6:30am, and which is produced by the Station. It also broadcast a quarterly series called Get Healthy Texas, a 30-minute program which focuses on ways to help those in our community to live healthier lives. The Station also runs a number of public service announcements throughout the quarter.
